

## KIT PAUL “BUSTER” SANCHEZ

Kit Paul “Buster” Sanchez passed away in 2017, leaving an impact with the many gifts he shared with the North End barrio. He left us with memories of his activism, community service, journalism and his fastpitch softball legacy. Very few of his compatriots and neighbors knew that he was a poet and journalist; someone who used the power of the pen to enlighten the community about issues that needed to be addressed. He also used his poetic muse to write about his life in El Huarache and his time as a Marine serving in Vietnam. Corporal Kit Paul Buster Sanchez served in the Marine Corp with Echo Company, 2nd Battalion, 3rd Division E Company. The Demilitarized Zone from 1969 - 1969.
